Mr. John D. Adams

Box 375
Ferron, Utah 84503

Dear Mr. Adams,

This letter is to confirm our phone conversation of November 16, 1978. As we discussed, the current status of the Brown Mountain Mine is that final approval for the reclamation plans was granted on September 26, 1976 contingent upon posting of the bond.

In regard to the Red Chips & Dexter Mines which you mentioned, you will need to fill out the necessary forms concerning reclamation so that we may begin the process for approval.

Ron Daniels looks forward to meeting with you on Wednesday, November 22, at 1:30 p.m.

Sincerely,

MARY ANN WRIGHT
